WE HAD 3 SLOTS COME AVAILABLE FOR TRANSPARENCY, 2 of those have been filled. THESE ARE FIRST COME - FIRST SERVED.

We have had 180 vendors removed and 9 more tagged for removal and 3 of those are authorized vendors that have violated MAP and are no longer compliant for transparency on Amazon.. Those 3 authorized vendors being removed are the slots we now have available. Two have been filled and we have the one remaining.

INSTRUCTIONS:

1. Fill out the attached "new" application/sales agreement – **attached to this email**
2. Fill out the attached "new" blank purchase order – **attached to this email**
SEND BOTH THE APPLICATION AND COMPLETED PURCHASE ORDER TO DR. BRIAN M. PARKS – bparks@geneuproprotein.net
3. ALL MOQ"s must be met (order 3 ASINS at MOQ and get 15% off) - no exceptions, no negotiations (***you ask for additional discounts or lowered MOQ's and you are disqualified***)
4. All orders must be paid by bank wire (first three purchases will be bank wire until you establish an account)
5. Adhere to MAP 100% or be removed from the platform
6. The first company that gets the application in and order form in and pay for their orders get the last remaining slot for amazon sales.

Once we get the signed agreement and purchase order, we will put the order in the system. The first three to pay their invoice (bank wire instructions are attached) are in the Amazon Transparency program.. To ensure you are in, once your wire transfer is sent, please send that confirmation to legal@geneuproprotein.com so they can verify the transfer.

Once your order is paid, we will order those transparency labels and send them along with the completed sales agreement and paid invoice. You will then be able to list the product. The completed sales agreement is your LOA but is only authorized once we have entered you into the transparency program.

That's it! We expect these three slots to fill up quickly so thank you and let the games begin!!!! WE ARE WORKING THIS WEEKEND SO DON'T WAIT TO GET YOURS IN SO YOU CAN RECEIVED THE INVOICE AND HAVE IT READY FOR THE BANKS ON MONDAY!

***** Please note that Amazon requires that each unit has a transparency label on it. These are an additional \$0.35/serial number label. If you apply them in your facility, there aren't any additional fees.If you would like us to send these products into Amazon for you, you will need to send the box labels (box dimensions are weights are on the pricing spreadsheet) to tony@geneuproprotein.com and reference your order # *****
